I was wondering if we can see the results of the safari scores - do you send them usually to ABA national and they share on the website or usually just share with the branch clubs?

with total enthusiasm!

Hello,

Scores have been sent to ABA.

I am more than happy to forward you a copy when I am at the club next.

Kind regards, Tifannie

Hi again Tiffanie and Debbie.

I am sending you the branch bank account info as Kerry Chandler emailed saying you wanted to deposit net funds from branch Safari.

Could one of you or even ask Ash send the shooters numbers so I can organise a rebate per shooter from Branch B of \$2 which the national executive decided would be relevant. Did you have any part in that discussion? Ash will probably email me when he makes the deposit.

I also do not know if financial reporting about the branch Safari is expected and if so to which level - branch or national.

Many thanks

Jennifer Hall

Hello

Yes I spoke to them to double check about the money. I will get Ash to deposit the money. When I forward the scores you will be able to see the number of shooters for the weekend.

I had no part in the decision for it to be \$2 per head. We asked if we could get anything out of the Safari as when we signed up for it we didn't know we had to do everything.

As for financial reporting I am unsure. As I was not told anything about that.

Kind regards

Tifannie

Hi again Tiff,

Yes it would be good to know your final NET takings and divide by the number of shooters.

If \$2 per shooter goes back to your club, the remaining income should be committed for the good of the whole branch - like the plans for coaching sessions and helping cover travel costs. Frank had put together a proposal relating to that already but I don't know where that is to remember the max Travel reimbursement \$ branch would need to give to club coach/recorders who'd wish to attend.

Many thanks again for all your work and that of your whole club

NB we have not heard from you about the State Titles plans and call for help?

I am ready to circulate for you to the rest of the clubs.

Frank and I are away again August 9th to 25th

Jennifer Hall

Hello Ash,
I had a look at the bank account to see if your deposit of Safari shoot fees has been processed yet.
National Treasurer informed me the funds should have been deposited closer to the time of the safari and keep asking what the total fees came to. I have not been able to tell her. A rebate per shooter has been discussed, and I am hovering with my pen to write a cheque for your club!
But the more pertinent value would be the costs directly related to the safari - advert and targets have been paid for - what about consumables for those services which were complimentary - toilet and bathroom supplies, entertainment, free dinner, tea/coffee and cups....
Depending if the safari ran at a profit or loss in this matter, National committee, as executive for the branch, will confirm the per shooter rebate and I will finalise the cheque
Many thanks
Jennifer Hall
