Hi Ash,
Alan Avent has received the State Titles scores now from Jason,
I see there were 124 shooters with scores
Please deposit the shoots fees as they were taken, and the Branch can pay the trophy invoice when you get it from your supplier. I have confirmed this with Amanda Skinner.
Once we know the income, take the advertising, Targets and prophies off that, National can offer a decision on the fee rebate back to your club.
Their next Executive meeting is in December. I know they have a LOT of items on the agenda, so if this information is late getting to them they may have to postpone it until the February meeting.

Regards, Jennifer Hall
Appointed Treasurer
ABA Branch B
