Good Morning,

My apologies on the delay I was hoping to know the fees prior to sending this off to you guys so it could all be done at once.

As discussed the spread sheet for the invitational is split up into Senior Male, Senior Female etc down to cubs.

I have removed the scores from our 3D round on this spreadsheet so your copy only has ABA information.

More than happy to use the new spreadsheet from here on out if you would like to send it through.

Any issues please let me know via email is the best way to contact me.

Regards,

Tifannie
