Hello Jennifer and Bec

Hope this email finds you well and enjoying the cooler weather!

I have prepared the bank transfers for our Club shoot fees to date in 2022. I will ensure that our reference for each deposit shows the month it relates to.

January- no Shoot

February- \$14.00

March \$14.00

April \$20.00

May \$18.00

Total \$66.00

Brett has sent the Scores through each month which gives Branch B the amounts due so I hope the details above are sufficient for your records. Please let me know if you require further details.

Many thanks
