Dear Mitch

Our Club is looking at changing our Invitational Shoot from 17th & 18th August 2013 to 3rd & 4th August 2013. Can you please let us know if this event will still be sanctioned as a Branch B official shoot?

The reason for the Date change: 3 key members may be unable to attend and assist in running the Event due to rosters changing with changeover of operations at local mine.

We thank you for your assistance in this matter.

Up coming Branch B Executive Meeting**

Hi everyone welcome back I hope everyone has had a great break and is recharged ready for the year. A few things to kick us off,

Syd Green Memorial Award

On behalf of the Branch B Committee We would like to congratulate Steve Kidd from Mackay District Bowmen as being the winner for 2012 award. This is a National award and is presented at the Archery Expo in Brisbane.

So Congratulations Steve Kidd on your well deserved win

Branch B Safari 2013

The Branch B Safari is on the 8th and 9th of June and is being hosted by the Towers Club. There have been a few changes in rules

regarding National, State and Branch run shoots as from the National meeting at the end of 2012 they are as follow

2

Mobile Phone Policy

All Mobile phones are banned from being carried upon all ABA ranges at Branch, State and National level events held within Australia.

A competitor found with a mobile phone on such a range during competition will be dealt with as if they were carrying a range finding device, therefore would be dealt with by the Shoot Director and may be disqualified.

Even if a competitor is only carrying the mobile phone without exclusive permission from the Shoot Director, they may be dealt with as if carrying the device for range finding.

It is understood that there may be medical reasons or pressing needs to be contactable during a competition, these requests will be dealt with on merit by the Shoot Director.

Dog Policy

Dogs are restricted from being in attendance at ABA Clubs/Ranges/Camping Areas etc whilst the club range is being controlled by ABA Branch or National Body. Basically dogs are banned from being within the club's boundaries at Branch, State and National ABA shoots.

Service dogs (Guide Dogs for example) and the like are exempt from this policy, but the Shoot Director must be informed of this situation. The onus of proof that the animal is required to be with the person will rest with the owner/person in need.

The Shoot Directors decision shall be final.

State Titles 2013

The State titles are being held in Branch C for 2013.
Dates and Location will be confirmed and forwarded to all clubs
for those interested in attending.

Scores

The Branch B committee would like to take the time to thank
Wayne Salmon for his hard work and dedication to Branch B
during his time as Score Recorded. Wayne has been transferred to
Wagga Wagga with his job and will be missed greatly.

All scores and shoot fees are to be sent to the Branch P.O Box

Once again if anybody is interested please contact us.

Branch B Raffle 2013

the 8th of June at the Branch B Safari

Tickets are \$5.00 each and are limited to 500 the total prize value
is \$1500.00 winners are able to use the vouchers to purchase goods

Second Prize is \$300.00 Voucher from BCF

Third prize is \$200.00 Voucher from BCF

The books have been stapled into groups 5 for clubs convenience

We are asking club members to help sell them by taking them to
work, school, the pub, the local butcher, neighbours, local
takeaway shops, a business that might let you leave them on the
counter, anywhere you can think of please share your ideas.
The decision for the Vouchers from BCF was 2 reasons first being
that the winners get to pick there own prizes when they have the
time to go and the second is there is BCF stores spread all over
the State which means there could be a store in your town.

2013 Branch AGM

Hello to all, another long year sits behind us, and in my view our branch is moving along at a slow pace.

As for knowing anything about the clubs in our branch I am unable to tell you anything about how they are going other than the Mount Isa club, which has a membership of 65, with around 30 turning up for each shoot, they have a lot of new comers turning to try the bow and arrow, but a very few join up.

Next year will see all of the Branch Club Measures being recreated and I can tell you all right here now that if the clubs do not send their members to this course they will not be able to Measure game.

So with that I am hearing nothing from the club ABA Rep's, it may be time for the clubs to have a good look at having the right person from there club doing this job.

Other than Mitch I have not been asked to take a question to the National meetings.

On the hunting side of our sport it was again a pour year with only 365 claims being put to the books, although there were some very good animals claimed, Tony Lasker with a PB R/C Goat, and another taking a BP was John Teitzel from Tully taking a very impressive 35 Pt Boar, also Neville Westerveld with a FKoS R/C Red Deer, Blair Thompson with a FKoS R/C Fallow Deer and an also close Red Deer, and with the ink still wet on his Proficiency Certificate Tony Locke from the Isa club sharpened his broadheads and hit the spot, taking a R/C Camel the best Cat taken for the hole of Australia R/C as

well, along with a Boar, all FKoS of course and starting this year off with a T/C Goat, very well done Tony as to all of the other hunters how took the time to claim there game.

At this stage I am still happy to be doing the Branch Field Reps job and if anyone else would like to have a go at it I will be more than happy to stand down at next years AGM.

Dear Tim,

Thank you for taking the time to check over the books for us. I was not able to pass the books at our AGM even though they have been to the auditor there seems to be to many mistakes that have been passed over. I did as much as I could and then it just went over my ability level.

I have taken notes as I have been going through the books on the things I found. If it is possible would you be able to send a letter to the Branch B committee stating what you have found wrong with the books as this happened at an AGM all clubs are aware there is a problem with the books and are waiting for an update on what's happened.

We have also been made aware that we have not paid GST for some time if it suits you and you have the time is it possible that you can work it out and let us know how much we owe Nationals.

Thank you once again for your help.

Amy Standley

Tim I have sent you
Cheque book, deposit book, Receipt book,
Book of Receipts for cheques, Bank statements,
The balance book and the auditors report for the last 2
years, unresented cheque

Problems I have found

Cheque No 119 to Garry Pitt was not handed to him at all. I
found this Cheque in the bottom of the briefcase.
The amount on the cheque is incorrect and should only be
\$215.50 as the receipt for Hammilton printers should not
have been included as it has been paid for with
Cheque No 104 I have included the cheque in with the
books

With cheque No 119 can we cancel the cheque with out
cancelling it at the Bank?

Neil has lost a cheque from Townsville District
Bowhunters after he receipted it (Receipt No 90). He sent a
letter to the club stating he had lost the cheque could they
cancel it and send another one out, he never notified us of
the lost cheque or the letter. The Townsville club is now
sending us a bill to cover the cost of the cancellation fee.

Cheque No 121 Wayne Salmon-
Wayne was reimbursed for fuel expenses from the TBA
muster in Mackay how ever I cant get the receipts to add
up to the amount he was reimbursed
Neil has not refunded either Garry pitt or ourselves for our

expenses incurred for the TBA muster he claims he has no receipts at all for Garry or myself. I located a copy of these in the bottom of the briefcase but because of the amount for Wayne I didn't feel comfortable with re reimbursing either Garry or myself until it's sorted.

Cheque No 123 for \$70.00 has gone through our account the butt of the cheque says Atriums Productions, how ever after speaking to Colleen last week and on Tuesday 12th June the amount for \$70.00 is still outstanding it went through the bank on the 14th may Eric is looking into it for us.

In our deposit book problem (A) I cannot find the \$700.00 cheque in our books anywhere and when you add up the amounts on the slip to the total they are incorrect the amount on the deposit slip and the bank statement match.

Problem (B) is in the deposit book as well

The list is of cheques that are in the book that Wayne salmon has in his position

Date	CHQ No	Amount	Recipient
23/10/11	000121	\$279.02	Wayne Salmon
4/3/12	000122	\$93.00	Australia Post
30/4/12	000123	\$70.00	Atriums Prod
30/4/12	000124	\$200.00	Caltex Fuel
10/6/12	000125	\$250.00	Concord Tax
10/6/12	000126	\$166.48	Wayne Salmon

Cheque No 121 amount in question

Cheque No 123 Recipient in question

Cheque No 125 has not been handed to auditor until this problem is solved signed audit statement has not been forwarded either.

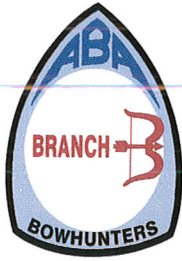

In the receipt book there is an amount for \$204.00 27/3/11 I cant seem to find it being deposited into the account

I have been through the books and gone back as far as I can with what I had I have only marked the bank statements in red pen with a A and a tick beside each cheque and compared it to the books and I have marked in on the deposits on the statements the receipt Numbers that go with that deposit that I can work out in the receipt book I have written on the back of each on when they were banked and on the last one I have totalled them.

When Wayne salmon has done the deposit from the weekend shoot I will have a current balance of what is in our account.

We are not handing anything over to our new treasurer until this problem is sorted

The only other question is has the auditor done his job and if not what can we do about it.

Date Conformation

Dear Townsville District Bowhunters executive committee,
Please be advised that the date change you requested for
the weekend of 29th and 30th September 2012 and 1st of
October 2012 for your invitation shoot have been
approved by Nationals.

A copy of your letter of request is enclosed for your club

Amy Standley
Branch B Secretary

To Whom it may Concern,

Mackay and Districts Bowhunters Association is seeking to apply for the Zone B Safari for the 2014/2015 year.

If successful, we would hold the Safari at our grounds located in Seaforth. Our club has grown immensely over the past few years and we currently have approx. 140 members. Our grounds in Seaforth have also undergone immense transformation over recent times with extensions made to our existing undercover area, new roofs being erected, a new trophy room and office, as well as an education centre. We have an existing large shed which is currently being used as our kitchen and beside that a large refreshment area. We have multiple fixed wooden tables with bench seats to cater for large numbers of people fully undercover providing protection from the elements.

Ammenities include:

- Large generator for lighting
- Large toilet block consisting of 2 female toilets and 2 female showers, 2 male toilets and 2 male showers with the luxury of hot water as well
- Kitchen includes sink, oven, stove, microwave, cooking utensils, BBQ etc and large storage areas

Our grounds are quite extensive which also allows for a large camping area when required. Combined with this we have 2 courses which our members are able to enjoy.

We ask that you give our request your careful consideration as we are confident that if we are successful, our Club would proudly host the Safari in a manner that members have come to expect.

Looking forward to your reply

Shane O'Keefe (President – Mackay District Bowmen)

To whom it may concern,

Mackay District Bowmen Inc. Has over the last 12 months experienced huge growth as far as membership goes. The club now boosts numbers of almost 150 members with shoots of 60 plus. We regularly have 6 new potential members show up at each shoot. With the retention rate very high. Not only has the club grown in size the whole feel of the club is changing. On camp over working bees we now regularly have 50 plus people helping out. Everyone from old members to fairly new members are more than willing to help get things done.

New members get more help than they need with everyone willing to share ideas, advice, gear and help out in any way they can. All seem to settle into the club very quickly and find their feet. Growth has also been evident in the younger members as well. With us now looking at putting in a play ground to cater for young kids who are not old enough to shoot, while their mum's are helping out catering. Giving them a safe area to play.

Club hunts are on the rise with 2 organised hunts a year. This is mainly to give people new to the sport a chance to experience what our sport is all about.

We have also putting alot of money back into the club with new infrastructure. With the growing numbers we need the facilities to cater for the people. We now have tripled our undercover area, seating and bow hanging space. Put in a few new bridges on the range to make it a safer place for all.

We have purchased a 12m x 3m Acco building to house our trophy room and office. This is still in the process of being fitted out. Hopefully completed before our Invitation shoot on July 7th & 8th. Looking forward to seeing you all there and meet all the new members.

Our club has some ups and downs this year with the lose of one much loved members Kevin Winters. This only brought the club closer together and more supportive of each other.

My role as President has also changed to more of meet and greet and helping set up bows and introducing new members to get them settled in. Shooting has taken a back seat for a little while.

I look forward to what the club will bring in the new year and the new potential members I have yet to meet. With growth comes new ideas and new friendships and a stronger club. Maybe even 200 members.

It is now that we look to the future and start drawing up our next 5 year plan to take us into the new era. We are grooming our younger members in hope that they will take up positions in our executive at our next AGM. Fresher looks and new enthusiasm.

Cheers

Shane Ernie O'Keefe

THE YEAR ENDED 30 April 2013

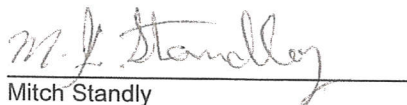

Statement by Management Committee
Australian Bowhunters Association Incorporated Branch B.
For the year ended 30 April 2013

The Committee has determined that the Association is not a reporting entity and therefore there is no requirement to apply Accounting Standards and other mandatory professional reporting requirements in the preparation of these financial statements. Independent audit report

To the members of Australian Bowhunters Association Incorporated Branch B

We have audited the accompanying financial report, being a special purpose financial report, of Australian Bowhunters Association Incorporated Branch B, which comprises the statement of income and expenditure as at 30 April 2013, the balance sheet for the year ended 30 April 2013, notes comprising a summary of significant accounting policies and other explanatory information and the committee's assertion statement.

Committee responsibility for the financial report

The committee are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of Associations Incorporation Act and the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of Australian Bowhunters Association Incorporated Branch B. as at 30 April 2013 and of its financial performance and its cash flows for the year then ended on that date and complies with Australian Accounting Standards to the extent described in Note 1.

Basis of accounting
