

Branch B Controllers Report 2007

Firstly I would like to apologize for not being able to attend the AGM circumstances beyond my control have prevented me from getting there.

The 06/07 year has been busy for me with the state titles and the branch safari so close together. A big thank you to the host clubs Mt Isa and Townsville District for all your help to make these shoots a success.

The state titles were well attended with 95 shooters coming from all over Australia which was great to see and there were lots of good comments about the course and facilities but most of all the catering. The branch Safari was a great shoot as well, the number of shooters was down approximately 45 shooters were in attendance the weekend was well provided for.

The measurers and proficiency course was well attended by all clubs in the branch. Every club had members attend the proficiency course and most doing the measurers course, thank you to Victor for running the proficiency course and to Tom and Tony for running the measurers course the two days were fully used.

The hunting season has been slow in the early part of the year with the large amount of water around things might improve in the later half of the year as it gets drier.

The organizing of a club coach is a slow process the person who was interested moved to Darwin with his job so the search started again we are hoping to fill the position as soon as possible.

I have traveled to as many clubs as I could through out the year, all the clubs have taken on risk management very well and we have seen improvement in all areas of their grounds.

Clubs have found it beneficial to share ideas and suggestions on safety issues and how to deal with potential hazards, it also has the benefit of allowing us to use these ideas to create a uniform standard in shoot safety . It seems that clubs in north Queensland are enjoying growth of membership with families looking for a sport that all can participate in and being a non contact sport makes it a perfect choice.

This has been a very busy and rewarding year and I look forward to working with you all in the year to come enjoy your bowhunting.

Yours in Bowhunting

Dear Robin,

As you are probably aware, National are holding their Measuring Seminar/Training in Brisbane in June, 2007.

I would like to nominate to fill the position as Branch B measuring instructor.

I feel that I have substantial experience in Branch B as I have already attended four previous measuring schools, which in total making 16 years as being the Branch Measuring Instructor.

It would be appreciated if the branch would support me in this matter.

Yours in Bowhunting,

Tony Lasker

2007 Towers Bowhunters ABA Report

Over the last twelve months the Towers Bowhunters have been represented at most Invitation shoots and the North Queensland and Queensland Titles.

The North Qld Titles held at the Towers was a great success with a good roll up. The Interclub shoot Competition between the Towers & Townsville Clubs has been very successful, with members of both clubs being prepared to travel to each others clubs to take part in the shoots.

Club Membership has increased with several new families joining. Junior membership has increased which is great to see. The club grounds, courses and facilities are in good condition with plans afoot for some new modifications to the score recorders shed.

Some club members have volunteered to attend the training courses in Townsville in June for Proficiency officers and Measurers. Our clubs Annual General Meeting was held on Friday 1st of June with the New Committee selected as follows.

President; Alan Archer
Vice Pres.; Tony Salsbury
Secretary; Tony Salsbury
Treasurer; Pauleen Dakin
Range Master: Ray Boundy
