Club Rebate from Branch

Suggestion varied in so far as some clubs wanted Branch to supply set of Targets to all clubs, others though straight \$ value could better align with Club needs, other thought were around Value back to clubs, e.g. prorata or fixed value.

Reps to take it back to Club and topic to be raised at next meeting in Collinsville

Support for Clubs to attend ALL away shoots

It is suggested Branch could subsidise a Coach to long away invitationals due to Cost of fuel, E.g. Isa is wanting to hold Branch titles in 2023 a Coach could be hired from the Coast and take archers from centraL point, picking up others along the way. Tickets could be sold to offset expense to branch. Similarly Isa, Weipa or others in reverse

Treasurer's report for Branch B AGM 9/7/2022

Bank balance as at 1.6.21 \$ 20,647.60 Bank balance as at 30.5.22 \$ 22,386.91

Therefore an increase of \$1,739.31

Assets valued at \$nil

(Refer asset table pg 3 – all older that usual life as per ATO depreciation rules)

(NOTE On advice from the National Treasurer the branch books are kept on Cash basis)

Total income \$5,583.55
Total Expenditure \$3,826.52
Profit \$1,757.03

compared with last 3 years:

2021 loss (434.65) 2020 profit 690.68 2019 loss (761.47) 2018 profit 1,162.58 therefore over those 4 year period we made about \$660 profit

GST movement for the year: To explain this, all of our income from shoot fees needs to have 10% sent to the ATO, but not the rebate income from ABA national. However, most of our expenses GST component can be claimed from the ATO, thus although our profit was \$1757.03, we overall paid no GST to ATO, rather they paid us \$5

The accounts have been audited by Certus Group this week and the audited financial statements have been checked by the Treasurer, are signed by the Branch Controller and Treasurer, and tabled with this report.

NOTE, They are on Acrual basis so some of the income and/or expenses shown in Xero actually relate to last financial year and appeared on the 2021FY audited statements.

The actual profit is less than the budget, which was sent to National last july, Profit was about \$743 less than the budget.

Income was the same overall. We received more than expected from the 2021 Safari fees, but less than guessed would come from clubs for shoot fees. Expenses were hard to guess, some cost less (trophies) and some cost more (training course costs) and an extra \$639 to setup the Branch Website and email hosting service for branch and club officeholders.

The budget for 1.6.22 to 31.5.23 is tabled for discussion and finalisation once decisions about Advertising for State Titles Oct 22 and Whether 2nd training course offered to clubs since 2022 feb courses were just reaccreditation.

Budget needs to be approved at this AGM and forwarded with audited financials and our assets details to the National Treasurer.

New Bank account

Jennifer (Treasurer) has investigated multiple Banks and the QCCB has the best spread of Branches in region in relation to Clubs. The account suggested is the "Business Online Saver".

With changes away from Cheques, it was suggested that Branch set up a procedure where all Payments as initiated by Treasurer only, the system will then record final approver.

0. I Move the following:

That the Australian Bowhunters Association Ltd Branch B , authorise the existing Executive committee to open a bank account with the Queensland Country Bank, per the new constitution and bylaws

- That the type of account be 'Business Online Saver'
- The following Office-holders are thereby authorised to sign on the Branch B's behalf:
 - Branch Controller Wayne Salmon
 - Treasurer Jennifer Hall
 - Secretary Francis Hall
 - Score Recorder Rebecca Nelson
 - ABA representative Graeme McComiskie
- That the National Australian Bowhunters Association Ltd has nominated to receive

- any surplus funds in the event that the ABA BranchB ceases to operate,
- The assets and Income of the Australian Bowhunters Association Ltd Branch B are applied solely to further its objects and are not distributed directly or indirectly - in whole or in part - to the members of the association except as genuine compensation for services rendered or expenses incurred on behalf of the association.

10. GENERAL BUSINESS -

- 1. Website review
 - To keep Event Calendar \$75 per year (currently free until Oct 2022)
 - Allows for all club events to be on line and for Nominations online
 - Online Payments for online registration
 - Cost is 2.9% + \$0.30 per transaction
 - e.g \$50 registration will cost \$1.75
 - Can only do Paypal at this stage
 - Branch Treasurer would need to setup Paypal account

Online registration for Branch titles work well with bulk of nominees registering online. This is a great help for the Branch Recorder. There was some delays as page froze for some but the got through in the end. The next Branch event is the State Titles at FBA, FBA to supply flyer for event and information to go up on site. Regristration online to be made available for State Titles, and online payment system to be made available through PayPal on line for early regristration.

- 2. Advertising for State titles, Magazine or Letter to Clubs with flyers.
- It was also raised that Branch would need to Purchase 2 sets of Targets.
- Small target get shot out so extras should be ordered
- Treasurer to Organise the purchase of
 - 1 set of Set 1 plus 2 extra Series 1 & 2 extra Series 2 &
 - 1 set of Set 2 plus 2 extra Series 1 & 2 extra Series 2

See Motion 2

3. Not all participants of the February re-acreditation weekend and have received any correspondence relating to that - e.g. certificate or updated card.

Lindsay sent out an email requesting a form to be filled out, Lindsay to be contacted and form requested and the circulated.

- 4. Can Clubs please send in annual reports ready for our AGM,
- On advice from the National ABA Treasurer, all branches are required to open a new bank account.

Dear Jennifer,
31 May 2021 Branch Audit Review

Thank you for submitting your 2021 Branch audit, budget and minutes from your AGM held on 14th August 2021.

This letter is to confirm that your Branch is compliant with the audit requirements and this result will be used in conjunction with other milestone criteria to pay your Branch membership rebate. A part payment was made around 31st October 2021 with the balance was recently paid.

In reviewing your audit report, there are a couple of criteria that need to be changed for next year:

- Your financial statements do not include any assets. I have previously provided a
 template to assist your Branch in recording any assets on hand before the next audit
 & received some emails to clarify the recording. This was also listed in your 2019 &
 2020 letter. Please let me know if I can assist here or if no assets are held, I can
 remove this feedback
- GST is slightly out of balance @ 31 May 2021 this may be rounding or Crowe's accrual basis method, I can get this fixed for you

Feel free to give me a call if you would like to discuss any of the above items or if you need assistance in putting them into practice.

Kindregards,

Kerry Chandler

Subject: voting at general meetings (ABA Ltd)

Dear Wayne,

Thank you for forwarding your letter of concern re the new company constitution.

Your concerns as raised in the letter were discussed at the National Executive Committee (NEC) meeting in November. A response was included in those minutes and duly circulated.

At the AGM (Oct21') the NMC voted and accepted the new constitution dated 'Oct 2021' be endorsed as the constitution of ABA Ltd upon start-up of the company structure. I am aware that the Branch Secretary raised some concerns at AGM relating to the voting entitlements of the association prior to this issue being voted upon and ultimately passed by the meeting. In this letter outlining your case after, the constitution was passed and you have not provided a signed 'petition'

as outlined in Section 12(a)(ii) of the ABA Inc constitution there is no need to call a Special General Meeting(SGM) to oppose the motion.

I note in your letter (attachment) you indicated that the general membership had a very tight timeframe to review the constitution. In fact nothing is further from the truth, the constitution was provided in May 2021 for review and was made available to all members. Certainly there were some changes made before the release of the Oct dated issue, but the voting rights and eligibility did not. The Executive has been nothing but transparent relating to the rollout of these changes and I am disappointed that you don't see the efforts made to keep members involved and informed on all issues pertaining to the Association. I also note a number of other points that you make in your letter and believe that the basis of these are arguable and are personal opinions.

I believe that most, if not all, of the National Management Committee (NMC) also does not agree with your points, given you forwarded a copy of this letter to them prior to circulation to me and I (and ABA executive) have not received any response from those branches. I have spoken personally to a handful of controllers on this issue and they do not support changing the motion as passed at the AGM.

I accept your position on this matter, but I do not believe this is the feeling of the general membership of ABA, including the Branch representatives who were present at the AGM. If you continue to feel so strongly about this issue as a branch, I ask you to consider implementing discussions at the next AGM.

Feel free to contact me if you wish to discuss the matter further

Regards

Tony Hartcher

Business arising

- Revised format for Club Fees to better track between Treasurer and Score Recorder
 Treasurer will issue Invoices on Quarterly basis to help Clubs track Fees
- 2. Next training Meeting will be held first Weekend in March 2022
- 3. Branch Coach Position, The Branch Coach is a National appointed position and the person holding that position has not been seen for some time. The Controller is qualified and did run the

Coaches Re-accreditation Training session earlier this year. An email sent in lat July asking if he is still interested in holding the position remains un answered.

 It was agreed that we would ask National to change the appointment of Branch Coach from Trevor Combridge to Wayne Salmon.

10. MOTIONS ON NOTICE

- 1. Motion to Nominate Branch representative
- As per Email/letter received 6/14/2022, 2:40 PM Letter attached

Motion

It is moved that Wayne Salmon be accepted as Branch Representative for Branch B "to serve on the national branch subcommittee and to represent the branch at general meetings of the company." (8.3)

Moved Ian Lepinath Seconded Jimmy Mathews CWO

2. Motion from Executive Meeting

- 2023 AGM date to match Audit dates
 - Financial year ends 31/May –
 - Audit take usually over 2 Months
 - Suggest AGM occurs after Audit Completed
 - AGM Minutes need to be into National by September

The current difficulties with holding the AGM in June is due to timing for financial year and National AGM it is agreed that the AGM a motion will be put to the Branch general meeting that the AGM be moved to August and the Branch Safari to be held to align with AGM.

CWO

Motion

It is Moved that that Branch B AGM to an August with the intention where reasonable and agreed by Branch Management Committee, to hold the Branch Safari at the same time.

Moved Tracey Smith

11. Further GENERAL BUSINESS - Scheduling of Club shoots for 2023 Calendar

There was ongoing and extensive discussion on this issue (too much to take notes on), It was agreed Reps would continue discussions with their Clubs and discuss again at the next Meeting.

The following is a Summary of issue for Clubs

- The matter of dates for shoots was first raised by a Club Rep in in September meeting 2021 and roundly agreed to be an issue for all. The matter is not a new issue, Mt Isa, & Weipa canceled their Invitational sometime ago due to lack of attendance and this year we have had Kurrimine canceling their annual August 3D shoot.
- This is now exacerbated with Hinchinbrook and FBA club advancing to a point of wanting to have invitationals as well.
- Issues such as financial viability, and traditional dates, memorials etc. were discussed and recognised and accepted as having importance.
- For other Clubs issues such as member employment &/or the wet plus travel distances are very real restrictions
- The fixing of dates for clubs to specific weekends means that a club that takes (for example February) would be penalized due to unreliability of the weather at that time of Year and A Club in October is going to suffer "Invitation" fatigue and increasing temperatures.
- Hunting season is another issue for some and as we are a hunting organisation needs to be considered.

- The National Policy of not sanctioning any invitational around Easter also becomes a problem.
- Lastly the need to hold the AGM in August to fit with Auditors and National AGM and the general agreement that the AGM and the Branch Safari should align also causes issues.

As per General Meeting 11/09/21 where poor scheduling of dates Club Invitational scheduling continues to be discussed.

Extract from meeting Minutes

"SHOOT CALENDAR

It was expressed that the planning of invitational shoots be looked at carefully as the current calendar is constricting success for clubs with crowding in some months and long period between events. Difficulty identified were shortened season due the Wet early, and high temperatures towards the end of year. There are 10 Clubs in Zone and other shoots such as Trad Shoot, Charity & Memorial shoots events."

What has been done/Trialed in 2022

The Branch has applied the National Invitational Policy of each Club being only able to hold one invitational per year. An invitational being a shoot recognised and promoted by the Branch. Other Club activities that invite shooters to join them is the responsibility of the Club and not considered an invitational e.g. Fluffy Toy shoot at TDB. These shoots would not be supported by branch in form of subsidies, targets trophies special rebates etc.and should not appear on Branch Media (e.g. Website or facebookpages etc.)

The suggested solution implemented in 2022 was to move the dates where agreed and to only "advertise" one event per Club spaced where possible at short notice 6 weeks apart.

This year on the request for Club calendars included 7 suggested weekends starting in 11-Feburary and finishing 15-October with suggestion first in best dressed.

Reps Report – Hi Team, Hope everyone is well down that way. As you probably guessed I won't be in attendance, actually today is the first day for about a week and a half we have been able to get out with the river well up. From this end still some claims coming in will wait to the required end march and sort out awards and trophies for the Safari in August, 75 claims so far with a lot of FKOS which is good to see. Have done the Risk Management for Twin Rivers best I can and will give that to Mark next I'm down. Measurer re-accreditation is to be held in Brisbane 7,8,9 July which I will be attending . Well that's about all I know of, anything else please let me know. Thanks Graham

9. MOTIONS ON NOTICE

Include the full wording of all motions on notice and attach relevant supporting documentation. - NIL

10. GENERAL BUSINESS -

- 1. ABA Grant application from Mt Isa Bowhunters for endorsement.
 - o Grant Application received, all information provided, Signed by Club Approved
- 2. Have all Branch Officers read the association's constitution, bylaws, policies, and procedures?
 - This in now a requirement for future meeting, discussion centered around when it will be discontinued and whether ABA Reps who are part of Branch need to state they have read

documents.

- o Some members have Constitution and Bylaws, Other members part part of each
- 3. Idea for ABA to support Branch B clubs
 - A5, double sided,150gsm cost \$30 per 50 or \$40 per 100 @ officeworks
 - It was agreed this could be a good action and Branch Secretary is to contact a couple of Club to develop brochures with them and to Develop one for Branch. Some of initial Club ones will be held back and circulated to other Clubs as examples.
 - Secretary is Authorised to spend up to \$300 to get ball rolling.
- 4. Score Recorders Laptop **Quote for Laptop \$867 with** Outlook, Word, Excel, PowerPoint, and OneNote (plus Access and Publisher for PC only). Plus Trend Micro Internet Security 1 Year
 - No Action to be taken at this time.
 - Score Recorder's laptop is to be cleaned up and cleaned out to see if speed issue can be fixed.
- 5. Branch rebate and Risk Mgmt
 - There were issues with the rebate amounts and in discussions with National Treasurer, Branch B was recorded as not recorded Risk Management. It was pointed out that it was in our Minutes and if recorded as "NIL" it meant "NIL" to report. Rebate amount has been corrected but some money are still being with held
 - Discussion also occurred around Development Plan and that Secretary did not have anything to forward to National as part of National AGM documents.
- 6. Training for Coach, BPC, and Measures
 - Secretary to Email to all clubs
 - Post to go on Facebook
 - TDB will be approached to run the event again
 - Courses will be run Sat 4th March, Closing Date for nominations 20th February
 - Fish will confirm with Jyri to run BPC, Fish will run Coaching Course, Graham to do Measurers.
 - Fish will contact Lindsay to look at get training for Level 1 for Club Coaches eligible.
- 7. A general discussion occurred about the relevance of the Branch to the Clubs and
 - It was raised to one member of Branch Executive as to whether there should be a Branch Safari at all.
 - Question came up when would Branch awards be presented if not at a Safari.
 - Concern was raised that the thoughts expressed may not be representative of the wider membership but still was representative of some and should be considered.
 - Branch B does not operate the same as other Branches and the format of ABA is more commonly aligned with Branch running multiple shoots at varying Clubs across the year.
 - It was reported that the Reps were uncomfortable making decisions at meeting. This seemed to indicate a belief amoungst those expressing these concerns as to the Role of the Reps as members of the Branch Committee, not passive observers.
 - * The Branch has only recently over come complete collapse of Branch Structure a couple of years ago so Committee believes it should approach all Clubs and honest feed back from as there is what is expressed at the meeting and what is expressed outside of the meetings.
 - ACTION
 - Beck will contact Clubs to organise either a visit to them or from them or at least a phone call. Part of this contact will be to discuss training in March and request input into Development Plan.

5. BUSINESS ARISING FROM CORRESPONDENCE -

• Feedback from a club Wed, 26 Apr 2023 Subject Duty of care — "make sure Sunday is done as early as possible to allow travelling members maximum travel time"

Duty of Care was discussed and a variety of issues were raised,

- Travel time for different clubs varies widely e.g. Mt Isa from any Club, Mossman from Mackay and local members having no travel e.g. TDB members can exceed visitors numbers.
- Some clubs can only have people staying during the event and cannot open grounds early of allow following day departures.
- Individual members must self assess as to their fitness to complete drives safely
- Club need to ensure visitors are informed as to how long they can be at the grounds.

The final result of the meeting is that

- Clubs will attempt to have presentations as early as possible given reasonable constraints of running an invitational
- Clubs will announce earliest arrival and latest departure time form there grounds to allow visitors to plan return trip to with all due care.

8.	ELECTION/APPOINTMENT OF OFFICE BEARERS Move that Branch accept Wayne Salmon resignation as Branch Rep and that the Branch appoints Lindsay Yuile to be Branch rep from meeting date forward. Moved Wayne Salmon Seconded Andrew Smith CWO
9.	 Ways in which Branch can support Clubs was discussed again, no real progress. Suggestion, such as buy each club a set of targets works for some clubs and not for other Clubs etc. the suggestions were same as previous meeting, ABA rep to go back to Clubs and develop strategies that strengthen our sport in FNQ to the benefit of all clubs and grow the sport in the region and in so promote membership in Clubs in preparation for next meeting. Cost of target is a major issue especially for smaller clubs, the question was raised can branch utilise the images to get pricing from local suppliers to reduce transport cost and lower cost printing. Controller to raise at next National meeting and report back. Paypal account – Branch Treasurer raised the possibility of the branch getting a Paypal account to take nominations for Branch events etc. Some other Branches have set them up and worked quite successfully. The process is fairly complex but National Treasurer has help other do it and is on board. It was discussed and receipt of payment for nominations for last years State titles worked well. So it was agreed that The Branch should continue to purse the setting up of the Account, initially to be used only for Branch events but after bugs worked out system could be used to help clubs for their invitationals. Moved that Treasurer pursue establishing a Paypal account and linking it with the Branch website. Moved - Mick Beard, Seconded - Frank Hall CWO Call from ABA for Club to host Nationals next year No club in isolation has the ability to host an event of that size but clubs working in conjunction could do it rather easily. Clubs with sufficent land such as FBA work with other clubs with larger memberships to develop Ranges, Clubs further away could support by supplying marshals, workers, etc. during the event. All profits split between contributing Clubs. <

Business arising:

- Due to new ABN for the company, Qld Country Bank required us to open a new 'member' and a new bank account. All Company directors are required to be on the application form but not listed as signatories to manage the account. After a long process of researching this, I informed the National treasurer 20th April, and she add it to the agenda for their Director's meeting 30th April.
- MOTION: moved by Jennifer Hall
 - That as soon as possible in May 2023, the North Qld Branch apply for a new membership and business account in the name of Australian <u>Bowhunters Association Ltd</u> - <u>North Queensland Branch</u>
 - That, as required by the bank, and to be minuted at the next Company Director's meeting 30th April, all the Company Directors will register on the Qld Country Bank membership form to be identified.
 - $_{\circ}\;$ That the account will be 2 to sign

- signatories on that account are to be
 - Wayne Salmon Controller
 - Jennifer Hall Treasurer
 - Frank Hall Secretary
 - Rebecca Nelson Score Recorder
 - Graeme McComiskie Field Rep
 - The above will have access to internet and mobile banking for viewing transactions and authorising transactions. None of the other individuals (directors of the Company
 - transactions will be by Online transfers 2 to authorise. The treasurer will initiate all transactions when practicable.
 - The account will not operate a Cheque book
- Co-signatories may not be in any way related or reside at the same address.
- Branch B Paypal account no further action has been taken. Does the
 meeting still wish Treasurer to restart the application process to use with
 branch website for the Branch Safari Mt Isa? The application is likely to
 require committee role holders' contact information to be given.
- Quote for the 2022-23 Financial Year Audit is \$495 and Jennifer emailed 11.4.23 to book for late June with Certus Group as appointed at last Years' AGM.

I am up to date with entering all scores received into the database and forwarding Scores sent to them via email to national score recorder as well as our branch and national National Score webmasters. I would like to thank all clubs that have been so diligent in getting recorder

their scores to me in such a timely manner. Your efforts are very much

appreciated. There are however, some scores still outstanding for some clubs for the month of May. If the club ABA representatives could please check in with their score recorders and either follow up on scores or thank them for their efforts, I would be ever so grateful.

In Progress Have Branch Officers read the association's constitution,

bylaws, policies, and procedures. (National requirement)

- 3. BUSINESS ARISING FROM MINUTES OF PREVIOUS MEETING -
 - 1. Wayne to report back re Copyright of ABA Target for local printing. In Progress awaiting response
 - 2. Club feed back re cooperation for hosting Nationals in 2024
 - Refer attached report and summary

- 3. Opportunities & thoughts for Branch to directly support Club development
 - Current suggestion have bee the supply of a set of targets to each club
 - This was not seen as a priority by all clubs
 - A grant system to be run by branch to a maximum amount
 - This may go outside the authority of the Branch and conflicts with the national grants system
 - Branch undertake to get bulk pricing for A4 tri-fold fliers customised for each club to help support come and try days and quick reference for new members
 - This was well received by all Reps
- Further suggestions were presented by Jessie from TDB after discussions at club
 - Branch to run a First aid Provider course at next ABA branch training weekend
 - This got a lot of support from all reps Estimated budget for Branch would be \$150 per person and training last 3 years before refresher required.
 - Branch to run other courses such as butchering or similar at next ABA branch training weekend
 - There was some discussion as to what these courses could be and need to be relevant to a clubs and align with ABA Objectives.
 - Purchase and issue first aid equipment (First aid Kit &/or Defrib unit) to each Club
 - Again good support but some concerns as to the Cost of Defribs may exceed possible budget
 - Cost for Defrib unit \$3000 ± 50% and ongoing Maintenance is required with suggested annual servicing to check & replace Batteries & Pads as required.
 - With the cost of fuel being so high and training being held in Townsville it was suggested fuel cards be given out to subsides cost for the that have to travel.
 - Amounts for cads could be based on 10klm/L per vechile

Reps are encourage to discuss these topics at their next Club meeting to see if we can get consensus at July meeting in time for next Branch Training event this year.

- 4. Progress on PayPal account Have been waiting to finalise Branch bank account This is now complete and process can start
- 5. Progress on New Bank Account Opening new account was completed 31-May

Report Re hosting Nationals – Summary of Discussions

At the April meeting in Townsville, in response to call by National for expressions of interest for hosting the Nationals the possibility for the titles to be held in North Queensland was discussed.

It was identified that no club in Branch B was capable in its own right to undertake the task, but, cooperation between clubs could provide grounds and infrastructure to fulfill/exceed hosting requirements.

A brief discussion identified the largest Club by land area (FBA approx 500 Acres & sufficient infrastructure) did not have the man power and the Largest Club by member numbers did not have the infrastructure of area to provide ranges. Also running the event with wardens, volunteering staff etc. would be a challenge but with other Clubs support during the event would help bring the Titles back to the birthplace of the ABA.

Reps were to take the concept back to Clubs to gauge interest and support.

<u>June meeting – Reps responses</u>

The responses from majority of Reps present at the meeting reported that the Clubs overwhelmingly supported the concept.

The bulk of ABA members represented by Club felt it would be an excellent opportunity but felt that 2024 may be too soon. To commit to a Branch project with elections being held in August this year the commitment would not be the new Committee's. It was felt that it would be a better approach to await the new Committee and apply for the 2025 Nationals.

It was the general consensus that Townsville would be the logical location but with distances to most Clubs logistics would be an issue. The bulk of the building work would therefore fall to TDB & FBA who stated that they are happy to undertake the task but identified the normal concern of Working Bee attendance that all club experience. Other clubs identified that they would be in a better position to provide administrative support leading up to the event and works during the event rather than infrastructure development works.

Discussions identified that the process would need to have a "Champion" to drive the process and coordinate tasks between all clubs.

External support

Townsville City Council has the new tourist promotion tags of "Events Capital of the North" and have introduced new grants to support this marketing drive. Some of these were used for the 2022 State titles and the Council has been well represented at TDB & FBA events and activities by both Councilors and Department personnel.

It was also considered that the North Queensland Tourist industry could be tied in for visiting archers and the involvement of Townsville enterprise would be an opportunity to extend the scope of the event.

Outcome

Discussions identified that the process would need to have a "Champion" to drive the process and coordinate tasks between all clubs and that it should be ratified by the next Branch committee.

AGENDA ITEMS

- 2. MINUTES OF THE PREVIOUS MEETING General Meeting 03 / 06 / 23 minutes reviewed and accepted
 - Moved Frank Hall
 - Seconded Wayne Salmon CWO
- 3. BUSINESS ARISING FROM MINUTES OF PREVIOUS MEETING -
 - First -aid Training and First Aid kits
 - Allens Training was approached for estimates
 - HLTAID011 Provide First Aid Certification good for 3 years -\$125 pp
 - First Aid Kit suitable for Club environment \$132 per kit
 - It is moved that a First aid Course be included in the next Branch training weekend and that at that weekend the trainees be issued with a First aid kit per club
 - Moved Lindsay Mackie
 - Seconded Ian Lepinath CWO
 - 2. PAYPAL Account
 - The Paypal account requires a postal address and a legal entity contact name to be used for setup of the account. The progress will be handed over to the incoming Treasure to continue investigations. It was recognised that it was impractical for any management committee member to be that contact.

5. BUSINESS ARISING FROM CORRESPONDENCE -

- 1. Domain name renewal refer Treasurers report
- 2. Shoot Guidelines for branch events
 - Shoot guidelines were discussed and as the disruption to normal branch operations that the guidelines impose as Branch does not operate Branch Interclub shoots and the guidelines do not allow for this. It was discussed as to whether a shoot that was not advertised but common knowledge and attended by members of other clubs (as allowed being ABA members or Alliance Member) would still be considered an invitational shoot.
 - It was also discussed that the dissimilarity in the number of event held by clubs is affecting other clubs, especially as this is crowding other club's events.
 - It is requested that all Clubs consider other clubs when planning and be aware of the Invitational Policy especially Point 8 that tournaments run the risk of not being covered by Insurance.
- 3. Foot wear, on request from member an email was sent to National requesting clarification on whether "Crocs" foot wear was acceptable, reply from Kerry Chandler
 - Crocs are not considered to be suitable covered in footwear for outdoor ranges, as they
 don't seem to fit properly and are slippery to wear. They aren't suitable for ranges with steep
 inclines, sticks can go through the holes in the shoe, and they are not snake proof. You can
 always refer to Rule 15 as Shoot Director, if you think something isn't safe

9. GENERAL BUSINESS -

- 1. Two positions for Branch Committee have no nominees
 - It was discussed that there are two positions, Treasurer and Score Recorder that do not have nomination for AGM in August. All reps were encouraged to discuss with their clubs and promote members to step forward before the AGM in August.
- 2. Branch training
 - For coaching. FIA level will be scraped and all FIA will automatically become level 1 instructors and must accredited at this years training to Level 1. FIA who have sufficient coaching hours can be accredited to Level 2 after completing training at Branch training weekend
 - BPC reps will be re- accredited via virtual meeting and will not be required to travel to Townsville
 - Accreditions are to be completed with in 3 months, so it was agreed due to other events and AGM the 28-29th October would be an agreeable date for training.
 - TDB is the suggested location for training, Jessie will check and confirm that TDB are able to host and cater the event, then report back at general meeting following the AGM at Isa.
- 10. MOTIONS ON NOTICE -

Branch Domain name, Website hosting, Calendar function, Email hosting with Security plan renewal before 4th October budgeted \$1000 (\$500 per annum. Paying 2 yrs gets discount)

Business:

- 1. New bank account is setup one form to allow bank feed into Xero to be co-signed.
- 2. The 2023 Financial Year Audit with Certus Group almost complete
- 3. The 2024 Financial Year Branch Budget drafted & tabled for discussion. I will then finalise it to table for approval the Branch AGM
- 4. End of Year records to be submitted by the next Branch Treasurer to national treasurer by 30th Sept
 - Auditor's report co-signed by Branch Committee with the following reports:
 - o Balance Sheet @ 31 May
 - o Profit & Loss 1 June 31 May
 - Asset & Depreciation Schedule
 - Budget for next financial year
 - Branch AGM minutes with specific notation to the audit and budget been passed
 - (If relevant Branch AGM minutes with any changes of auditor and passed)
- 5. Financial records I will collate/scan the last 2 completed financial years' records to be uploaded to the branch website).
- 6. Paypal I resumed the process of applying for an account only to find that it is required to give personal email, phone and address details as the main contact on the account. The Business information cannot include the ABA company information as that would be confused with their paypal account. The branch does not have a 'business street address to use' but an address is required. The Branch D treasurer said that she used her personal address in that field. I also read that if there are any disputes, Paypal could hold onto funds for months. I suggest further investigation into alternatives be undertaken if the branch wants to proceed so as to support clubs hosting Branch and State events and possible future National events.
- 7. I am not nominating to continue in the Treasurer role at the AGM. I Did enjoy putting my skills to use in serving the branch and it's clubs and members, but have retired from my bookkeeping business and turning to other more enjoyable and creative pursuits. I will support the incoming treasurer and the

National Treasurer is also very supportive and provides a manual to assist the use of Xero and recording GST.
